

December 5, 2012

Ms. Nicole James
Branch Manager
Indianapolis Public Library
College Avenue Branch
4180 N. College Ave.
Indianapolis, IN 46205

Dear Ms. James,

Enclosed herewith is a binder containing the following documents for the Tuchman Cleaners Site information repository.

- EPA Fact Sheet entitled “EPA Plans Urgent Cleanup At Former Dry Cleaners” (September 2012)
- EPA Postcard stating “EPA is seeking 9th District residents for a vapor intrusion study” (October 2012)
- Final Community Involvement Plan (November 2012)
- EPA Fact Sheet entitled “What You Should Know About the Problem of Vapor Intrusion” (January 2012)
- Agency for Toxic Substances and Disease Registry Fact Sheet on Trichloroethylene (July 2003)
- Agency for Toxic Substances and Disease Registry Fact Sheet on Tetrachloroethylene (September 1997)
- Agency for Toxic Substances and Disease Registry Fact Sheet on 1,2-Dichloroethene (September 1997)
- Agency for Toxic Substances and Disease Registry Fact Sheet on Vinyl Chloride (July 2006)
- Tuchman Cleaners Site Assessment Report (August 7, 2012)
- Action Memorandum (August 2012)

I am submitting these documents at the request of Janet Pope, Community Involvement Coordinator, U.S. Environmental Protection Agency. If needed, you may contact Ms. Pope directly at (312) 353-0628.

Please make this binder available to the public.

Do not hesitate to contact me at (440) 729-6266 should you have questions regarding this submittal.

Sincerely,

DYNAMAC CORPORATION

Meg Moosa
Lead Community Involvement Specialist
